Why choose MAPAL?

Product lines

- 1 Bore machining
- 2 Milling
- 3 Clamping
- 4 Setting | Measuring | Dispensing
- 5 Actuating

All from a single source

At MAPAL, customers can get everything they need from a single source and take advantage of our specialist knowledge of tooling and processing.

Partnership

The basis of everything we do at MAPAL is a close, open dialogue with all customers and, as a result, a long-term partnership on an equal footing.

Quality and precision

MAPAL tools stand for the highest level of quality and cost-effectiveness, characterized by excellent dimensional accuracy and the highest level of precision.

Standard range

The range of highly capable tools available from stock ensures excellent and reliable results for all machining tasks.

Technology leadership

In the machining of cubic components, MAPAL is the technology leader worldwide.

On the ground all over the world

Customer focus isn't just a buzzword at MAPAL – it forms an essential part of our corporate identity. On a global basis.
